Web: <http://www.spqi.unipd.it/ricerca/winter-summer-school>

The University of Padova is supporting 27 University International Summer & Winter Schools in 2015/2016, in the framework of its own policy aimed at promoting internationalisation. The projects are organised in cooperation with academic institutions or other foreign bodies and are also addressed to international users: **doctoral candidates, Italian and foreign post-graduate students or professionals as well as public and private employees.** In some cases learning credits may be assigned, to be recognised in study courses and also in the lifelong learning. Info: <http://www.unipd.it/en/courses/summer-and-winter-schools>
